Required tools, aids and consumables shall be supplied by the customer free of charge. The same applies to changing rooms, washrooms and sanitary facilities. Our staff is required to work at least 8 hours a day in the period of Monday to Friday guaranteed and calculated according to this price list. Daily arrival-times shall be recognised as working times by the client and shall be billed.

If the service takes longer than 6 weeks, our service personnel will have to entitlement to a paid journey home every 6 weeks. The same applies for legal holidays in Germany and festivals like Easter and Christmas.

For damages caused by our service team, we are responsible only in case of gross intent and / or gross negligence.

We are not liable for loss of production and / or loss of profit. Service assignments are charged weekly and are to be carried out immediately and without deduction pay. For foreign assignments, we charge the service monthly and these are payable in advance.
